

Patient Portal

Getting Started

1. Logging In

To sign in to your Alert Health Patient Portal, please use this link:

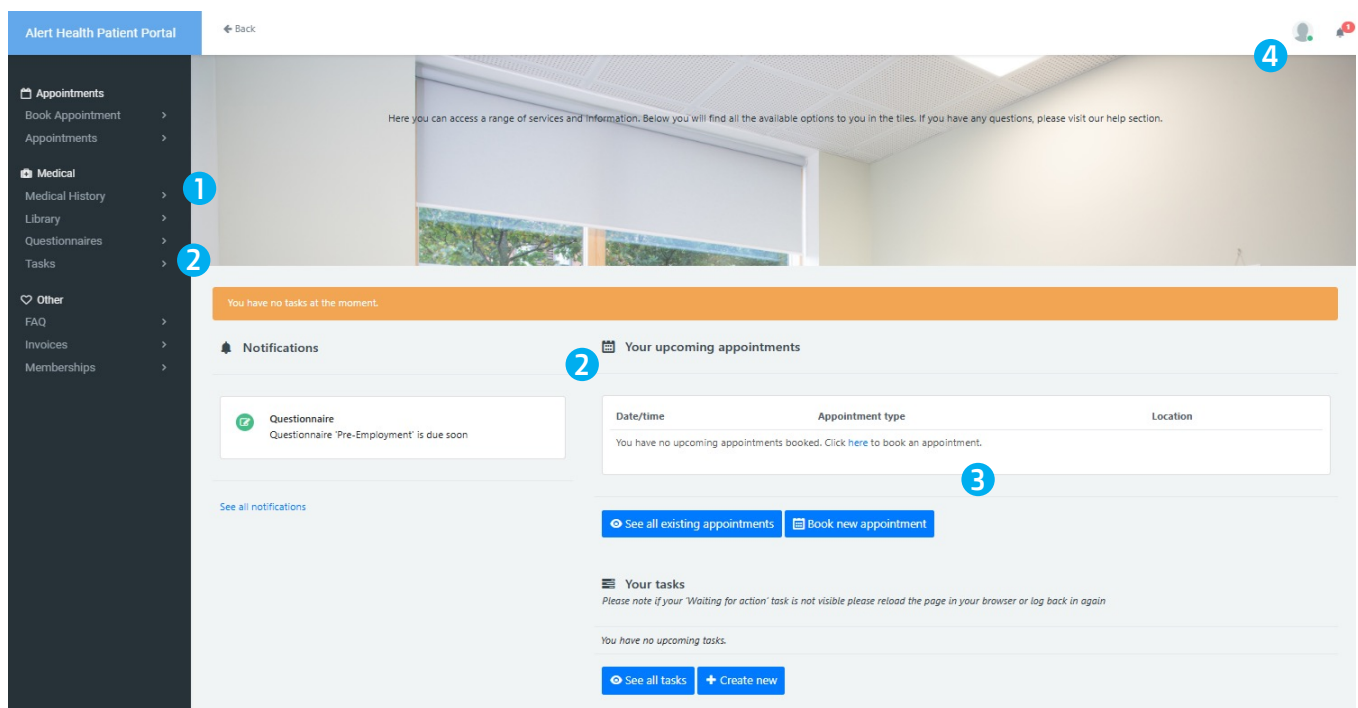

<https://www.patientbooking.co.uk/alerthealth/>

Your first screen will ask you to sign in. If this is your first visit to the portal, please select 'Forgot Password' and follow the instructions to set a password and gain entry.

If you have any difficulty accessing the system, please contact service@alerthealth.co.uk for further guidance.

2. Patient Portal Dashboard

Once logged in, you will be taken to the Patient Portal dashboard from where you can view notifications, complete questionnaires and collect certificates and documents that have been shared with you.

1. Certificates, reports and other documents that have been shared with you can be found in 'Medical History'
2. You will find questionnaires that are due to be completed before your appointment here
3. Review and update your personal details here
4. Details of any future appointments will be displayed here
